

# Our Classroom Mission Statement 2016-2017

**In Mrs. Dingman's 5<sup>th</sup> grade class we are** respectful and caring students who are working to show that we can be leaders.

**We want to remember** to be polite to each other, to have respect for everyone else, and our friendship as a class.

**We promise** to set a good example every day to those in other classes, to try our best, and have pride in our work.

**We believe** that there is a leader in every one of us, that being proactive will make us successful, and that we can do good things in life.

**Our goal** is to become better leaders and better people, and to get others to be leaders too.

**By following the 7 Habits and remembering our promises to each other we can** have fun in class, reach our goals, become friendly people, and help make the world a better place.
