## Colors of Fall

**Fall is Madder Lake red  
like a worn silk dress  
tomato sauce brought to the table  
and a soft leaf falling from the trees**

**Fall is Burnt orange  
like a turkey feather from Thanksgiving dinner  
an elegant cat purring  
and a round pumpkin pie baked in the oven**

**Fall is Burnt Umber brown  
like a crazy turkey crossing the road  
a tall tree sitting the woods  
and an active Guinea pig running on the floor**

I love to go out and see my family in fall
