Colors of Fall

Fall is Mango Tango orange
like a beautiful leaf sitting in the sunlight
a dazzling sunset in the late day
and a cozy sweatshirt keeping hot air in and cold air out

Fall is Fuzzy Wuzzy brown
like a fearsome tree standing tall and shedding leaves
a majestic bird pecking at a hollow log
and a rotten log that is home to many

Fall is Unmellow yellow
like a forgotten leaf settling for the snow
a plastic whiffle bat sitting on my porch
and a shiny sunrise in the early morning

Fall is beautiful with all its different colors
