If I Were in Charge of the World

I'd cancel tiny bits of space,
the game Marco Polo,
mumbling,
and swimming

If I were in charge of the world
there'd be bigger school desks,
much better basketball hoops,
and much larger rooms in your house

If I were in charge of the world
you wouldn't have melt-able candy
you wouldn't have concrete
you wouldn't have big lies
or "Don't wrestle on that"
you wouldn't even have wrestling

If I were in charge of the world
a horror movie would be rated G,
all towers would be meatballs,
and a person who sometimes forgot to walk the dog,
and sometimes forgot to clean up his mess
would still be allowed to be
in charge of the world
