

If I Were in Charge of the World

If I were in charge of the world
I'd cancel vegetables
Justin Bieber
And the dentist

If I were in charge of the world
There'd be driver's licenses at age 10
only bunk beds
And dogs that don't grow or change

If I were in charge of the world
You wouldn't have to go to bed when your parents say so
You wouldn't have rated G movies
You wouldn't have to pay for things
Or wait for stuff when you order it online
You wouldn't even have a school day on Wednesday

If I were in charge of the world
A field trip would be once a month
All vehicles would go at least 200 mph
And a person who sometimes forgot to get dressed
And sometimes forgot to brush their teeth
Would still be allowed to be
In charge of the world
