

If I Were in Charge of the World

If I were in charge of the world
I'd cancel Justin Bieber
Animal abuse
And bad steak

If I were in charge of the world
There'd be less pollution
Better tasting food
And no global warming

If I were in charge of the world
You wouldn't have fears
You wouldn't have pain
You wouldn't have colds
Or robbers
You wouldn't even have crime

If I were in charge of the world
A lion would be a common pet
All comedy movies would be funnier
And sometimes a person who forgot to say please
And sometimes forgot to say thank you
Would still be allowed to be
In charge of the world
