

If I Were in Charge of the World

If I were in charge of the world  
I'd cancel cavities  
paper cuts, homework  
and Presidential debates

If I were in charge of the world  
there'd be bigger bus seats,  
lighter backpacks,  
and easier tests

If I were in charge of the world  
you wouldn't have lollipops,  
you wouldn't have contacts,  
you wouldn't have high heels,  
or "don't eat too much cake"  
you wouldn't even have cake

If I were in charge of the world  
a tiger would be a pet,  
all people would have the ability to be a giant,  
and a person who sometimes forgot to get dressed  
and sometimes forgot to wake up  
would still be allowed to be  
in charge of the world
