

Recommended School Supplies
for Mrs. Dingman's 5th Grade Students
2009/2010

Most items will be provided for your child in our classroom. Glue, scissors, crayons, colored pencils, highlighters, paper, and pencils have been purchased for our classroom and will all be available for your child when school begins.

However, I would like to ask each student to have the following items as well:

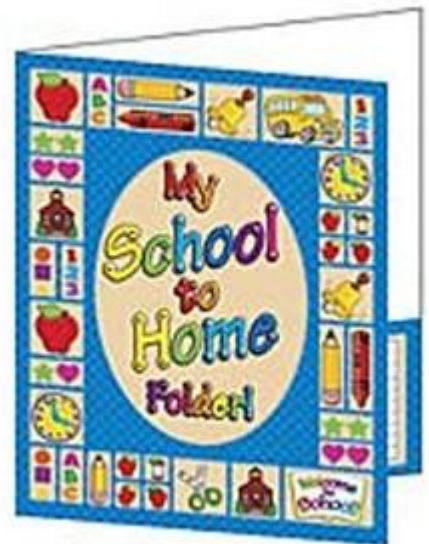

* Several pens (any color except black)

* Hard plastic pencil box- any color
(no smaller than approximately 5" x 8" x 2")

* Plastic file box (any color) for 3" x 5" index cards
(index cards will be provided in our classroom)

* Sturdy 2-pocket folder
(any color or design)

Thank you for your support!
