

## Recommended School Supplies 2011/2012 for Mrs. Dingman's 5<sup>th</sup> Grade Students

Most items will be provided for your child in our classroom. Glue, scissors, crayons, colored pencils, highlighters, paper, and pencils have been purchased for our classroom and will all be available for your child in our classroom.

However, I would like to ask each student who has been assigned to my homeroom or my Math class to have the following items as well:

- \* several pens (any color except black)
- \* we use these to revise, correct, and edit our work in the classroom
- \* a color other than black helps to easily identify where corrections or changes need to be made

- sturdy 2-pocket folder  
any color or design
- \* we use these to help sort papers needing to be kept at home/  
returned to school

- \* zippered pencil case- any color, no smaller than approximately 5" x 8" x 2"
- \* we use these to keep our pens, pencils, box of crayons, lunch card, library check-out card, etc. in an easy to locate place, especially since we will be changing classes this year for Math and Reading

- \* expanding file, like those used for storing coupons (any color or clear) to be able to hold 3" x 5" index cards
- \* index cards will be provided in our classroom - no need to purchase
- \* we use these expanding files to store vocabulary cards we will create in our classroom throughout the school year and be asked to study at home.

\*\*\* Please Label \*\*\*

2-pocket folder, pencil case, and expanding file with your child's first and last name and 5-Dingman

Thanks for your support!
