

# Recommended School Supplies 2016/2017

## Mrs. Dingman's 5<sup>th</sup> Grade Students

I would like to ask each student who has been assigned to my homeroom to have the following items:

- \* several pens  
(any color except black)
- \* we use these to revise and edit our work in the classroom
- \* a color other than black helps to easily identify where corrections or changes need to be made

- \* 10 or 12 pack #2 pencils

- \* zippered pencil case-  
any color, no smaller than approximately 5" x 8"
- \* we use these to keep our pens, pencils, box of colored pencils, lunch card, library check-out card, etc. in an easy to carry and easy to locate place.

- \* expanding file (like those used for storing coupons) OR recipe card box (any color or clear) to be able to hold 3" x 5" index cards
- \* index cards will be provided in our classroom - NO need to purchase
- \* we use these to store vocabulary cards we will create in our classroom throughout the school year and will be asked to study at home

- \* colored pencils - 8 or 12 pack
- \* should be able fit in zippered pencil case
- \* we use colored pencils often to practice reading for information strategies

- \* earbuds
- \* these will allow personal individual use for computer activities with sound
- \* headphones, in limited numbers, are available in school, but they are shared

Donations gratefully accepted for:

Thanks for your support!
