Colors of Fall

Fall is Mango Tango orange
Like a Halloween pumpkin shining at night
A tasty piece of candy corn that is so sweet
And the fall leaves that are magnificent to look at

Fall is Maximum red
Like a hard jolly rancher that you have to suck on for 5 minutes
A lovely robin in the morning
And the fresh apples you can pick

Fall is Van Dyke brown
Like the dry bark on the trees
A wolf costume you bought at Walmart
And a juicy tootsie roll you can't wait to eat

Fall is full of colors
